WORK EXPERIENCE

Ministry of Finance and Planning - Juba, CES, South Sudan

Feb 2026 - Apr2026

IT Helpdesk Intern

- Resolved number of technical support tickets involving hardware, software, and network connectivity issues, maintaining a high first-contact resolution rate and ensuring minimal downtime for Ministry staff.
- Optimized system performance and security by performing routine Linux and Windows administration tasks, including patch management, software updates, and the configuration of secure user access controls.
- Strengthened departmental cybersecurity posture by assisting in the deployment of encryption tools and conducting vulnerability checks, ensured that sensitive data remained protected against unauthorized access.
- Authored comprehensive technical documentation and user guides for internal software systems, reducing recurring support requests by empowering staff to troubleshoot common IT issues.

Ashesi University - Berekuso, Eastern Region, Ghana

Sep 2025 - Dec2025

Peer Tutor

- Guided peers in coursework by breaking down complex concepts and sharing effective exam preparation strategies.
- Tutored students in Introduction to Computing and Information Systems, supporting stronger comprehension of foundational tech concepts.
- Reported feedback to the department on student challenges and progress trends to help improve tutorial effectiveness.

Rejaf Secondary - Juba, CES, South Sudan

Aug 2023 - Apr2024

Teaching Assistant

- Supported grading and feedback processes, consistency and fairness in student performance evaluation.
- Provided personalised one-on-one academic support to struggling students, enhancing their understanding and performance in the classroom.
- Served as a key academic support contact, reduced instructor workload and improved response time to student questions.

Ashesi AI Club, Ashesi University - Berekuso, Eastern Region, Ghana

May 2025 - Present

Secretary and Event Coordinator

- Led planning and coordination of AI-focused workshops, discussions, and events that increased student engagement in emerging technologies.
- Managed internal communications, schedules, and logistics to ensure timely execution of club initiatives.
- Coordinated collaboration between members on AI projects and learning activities, fostering a strong technical community.

LEER COUNTY BASIC AND SECONDARY STUDENT ASSOCIATION - Juba, CES, South Sudan

Feb 2021 - Dec2022

Secretary General

- Represented student interests in leadership meetings and helped shape decisions on academic and welfare initiatives.
- Organised community and academic support activities that boast student participation and collaboration.
- Maintained official records and communication channels to improve transparency and accountability within the association.
